

Dear WisePay User,

To ensure you are fully informed, we are pleased to share that your school or college will begin using the easy and secure Global Payments payment processing when making payments in WisePay.

The WisePay payment process will mostly remain the same, the only difference being the appearance of the screen where your card details are entered. See the example below.

For the moment, 'saved card details' is not an available option. However, Apple Pay and Google Pay will soon be available to all schools or colleges who have transitioned to Global Payments processing. Further information from WisePay will soon follow.

Kind Regards,
The WisePay Team

Before: SagePay

The screenshot shows the SagePay payment interface. At the top left is the 'sage | pay' logo, and at the top right is the 'WisePay' logo. Below the logos is the 'Transaction Details' section, which includes a 'To Pay For' field and an 'Amount' of '5.00 GBP'. The 'Select Payment Method' section prompts the user to click below to select the type of card they wish to use, displaying logos for VISA, VISA Electron, MasterCard, and Maestro. A 'Cancel' button is located at the bottom left. At the bottom of the screen, there is a small icon and text: 'If your browser is not showing the secure padlock on your screen click on this padlock.' and a link to 'FAQs'.

After: Global Payments

The screenshot shows the Global Payments payment interface. At the top left is the 'Payment Details' header. Below it are four input fields: 'Card Number', 'Expiry' (with a 'MM/YY' placeholder), 'Security Code', and 'Cardholder Name'. A 'PAY NOW' button is located at the bottom center. A 'New!' badge is in the top right corner. At the bottom left, there is a small icon and text: '256-bit SSL Encrypted'. At the bottom right, there is a small icon and text: 'Security processed by Global Payments'.
