

WORLD
BOOK
DAY

6 MARCH 2025

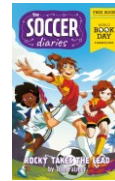

W H A T ' S O N ...

Celebrating reading all week!

Prize winning competitions starting on Monday 3rd March and running all week...

Collect your free WBD book from the library, first come first serve!

Princethorpe teachers are wearing badges to let you know how reading makes them feel. Write down the teacher name and the word(s) on an entry form.

There is a marvellous £25 Headteacher gift voucher up for grabs for the most found!

Who Is coming to Dinner?

The College Library is throwing a dinner party!

The table places are set ready for our special guests but can you guess who they are?

Use the clues at the place settings and let us know who you think is coming to dinner!

Murder In The Library

A body has been found in the library ...

It must have been one of our dinner guests!

What happened, who could the murderer be?

Were there any witnesses?

What was the weapon used?

And why were they murdered?

In no more than 300 words, let us know which of our dinner guests is the murderer and let us know your theory.

All entries will receive a merit and the best one will receive a £10 voucher and book of their choice.

World Book Day 2025 House Quiz

Weekly Tutor Group quiz to test you on your book knowledge! Which tutor group will come top? Which House knows their books?

THE BOOK TRAIL

Find book posters around the entire college and write the title on an entry sheet, take the first letter of each to find out the famous book character.

Merits and prizes to be won!

Just For Fun on the day in the library ...

WBD Fastest Wordsearch Competition.

Come into the library at break or lunch and we will time you completing our wordsearch. The person(s) with the fastest time wins a prize and merits!

The EMOJI Quiz

Work out the book titles from the emojis – merits and prize to be won!

Look out for our 6th form Instagram take over!

And the very best way to celebrate World Book Day ...

Borrow a book from our library!

In the event of a tie in any competition, a name will be drawn at random
