

Educational Visits – updated April 2026

Co-curricular trips and educational visits have long been an integral part of life at Princethorpe College. These experiences enrich pupils' lives, enhance their learning, and broaden their understanding and appreciation of the world around them. Below is a list of the latest trips we have planned, which is designed to help parents make informed choices.

The 'current year group' refers to pupils' year groups for the period September 2025 to July 2026. Please note that the trips listed do not include individual departmental day visits or Duke of Edinburgh expeditions; details of these can be found in separate documentation.

Trips will be released via EVOLVE a minimum of two terms and a maximum of five terms in advance, depending on overall costs. Parents are advised to read the information for each trip carefully at the time of release, particularly in relation to consent, cancellation, and insurance arrangements.

Trinity Term 2025-26
