Whilst you don't have to upload loads of photos and other evidence to achieve your Award (your Assessor's report is what really matters), a good variety will help you to put together a fantastic Achievement Pack – something for you to keep forever as a record of your incredible DofE journey.

If you choose to create your Achievement Pack, you will need at least 8 photos (1 portrait and 7 landscape) for your Physical section. You can use library images if necessary but your own are obviously more personal and relevant.

The evidence provides a record of your achievement and could include:

- Photos of you participating in the activity
- A weekly attendance record sheet
- Any certificates, badges or medals earned
- A log of your progress towards your goals

Bronze

Detach and hand this to your Assessor at the **START** of your DofE activity.

DofE VOLUNTEERING

Assessor cannot be related to a DofE participant. They should be an expert in the chosen activity (such as the activity leader). DofE Leaders must approve the choice of Assessor for each section.

My name: _____ eDofE ID No: _____

Assessor's Guidance Notes

Thank you for your time and commitment offering to assess me for the Volunteering section of my DofE programme.

I hope that you will enjoy your involvement, helping me through the section and to get the most from my activities and complete this section.

For this section of my **Bronze** DofE programme, I have to give practical voluntary service to individuals, the environment or my community over a set period of time. I need to spend the following length of time regularly doing my volunteering activity, averaging at least one hour a week:

months

Can you please:

- Understand what I want to get out of it and help me set my goals.
- Help me with advice, training and supervision as needed.
- Support and encourage me while I'm volunteering.
- Be available throughout my volunteering time and monitor my progress.
- Do a final assessment at the end – discussing my experiences, how I developed and how I reached my goals.

When I have completed the time requirements and achieved my goals, please can you register your comments on my progress by the suggested methods overleaf. This will be my evidence of completing my Volunteering section.

- b) The **Assessor Report** is a **mandatory** piece of evidence you must include in order to complete a section. It is a summary of your commitment and progress towards your goals.
- i) Option 1 - The report cards can be found in the Welcome Pack posted directly to you by the DofE. They should be filled out as follows:

1. Your name and ID number

2. Start and end dates match online programme planner and meet minimum timescale

3. Your assessor should complete these sections

4. This is the crucial part. Did you meet the 1 hour per week 3/6/12/18 month commitment? E.g. 'Alex well exceeded the 1 hour per week, 3 month timescale'.

5. Date of signature cannot be before completion date above

6. Signature, name and contact details match programme

Participants should scan or photograph this page and upload to eDofE as evidence.

- ii) Option 2 – Assessors can complete the report electronically via the following link:

<https://www.dofe.org/assessor/>

The assessor will need to know your **edofe number**, award level and the section they are assessing. On submission the report is automatically sent to your DofE Leader for approval and the assessor receives a copy as confirmation.

Your edofe number can be found on your online account and is written on your zip lock folder.

The information on the assessor report must match your programme planner.

4. Expedition Section

This section on edofe will be completed for you by Princethorpe Staff. They might even submit a photo of your team! You are of course welcome to add additional evidence.

5. GAP Form

There is one final task for those completing their Gold Award. The Gold Award Presentation Form is where you confirm your details for the trip to St James's Palace. It can be found on the left hand menu of your edofe account home screen.

If you have completed all of the steps listed above, you can submit your award for approval. Keep an eye on your edofe messages in case any evidence has been queried. If everything meets the criteria you will be awarded your badge and certificate. Following this you can look out for information on signing up for the next level of the award!

I do hope that you have found this document useful. Thank you for taking the time to read it. Please check out the **FAQs sheet attached** below if you are unsure regarding the next steps.

Wishing you good luck with completing your award!

Frequently Asked Questions

Q: *What is my edofe username and password?*

A: These were given to you on a card or sticker as part of your enrolment pack. Princethorpe Staff are able to look up your username. However, if you have logged into your account and changed the password but forgotten it you must follow the login-screen instructions to reset. Princethorpe and DofE staff do not have access to your passwords.

Q: *I don't know what to do for my physical/ skill/ volunteering section what should I do?*

A: Please refer to the programme ideas list in your enrolment pack. It contains a wide variety of excellent suggestions. You could also look on the DofE website and their opportunity finder:
www.dofe.org/volops <https://www.dofe.org/do-your-dofe/>

Q: *I am in rugby team (physical), do Latin club (skill) and help younger pupil with their reading (volunteering). All of these are extra-curricular at school. Do I need to do something new for my DofE? I am worried I won't have time.*

A: Certainly not, you already have a commitment in each area, please use these. You are able to back date your sections so fill out your programme planners carefully to make the most of your excellent work! Please speak to your assessors so they are aware you wish to use the area as part of your award.

Q: *Could I improve my hockey skills for my skill section?*

A: No, hockey is a physical activity and is assessed under the physical section. Please check the programme ideas list carefully for what is permitted.

Q: *The DofE says I need to do 6 months for one of my sections, how long and how often is this?*

A: You should commit a minimum of 1 hour per week for 6 months.

Q: *Can I complete this section in 3 months then if I go twice a week?*

A: The scheme is not just about hours. It is about showing an ongoing commitment to an activity. For that reason, we ask that you do not complete a section in a shorter timescale. We do of course realise that many of you will exceed 1 hour per week as you have a great interest in your activity. This will be reflected in your Assessor comments on their final report.

Q: *I have decided to do cooking at home as my skill, can my Dad be my assessor?*

A: Unfortunately parents cannot assess their child's award. You can certainly still complete cooking as your skill and your parents can help you out. Please ask someone else to assess the section. This could be your tutor, a teacher, a neighbour or one of the Princethorpe DofE Staff. You will need to show them evidence. This could be photos, a weekly log or a recipe book you have created.

Q: *In my enrolment pack there is a weekly log sheet. Do I have to get it signed by my assessor every week?*

A: No, the weekly log sheet simply provides a useful evidence record of your weekly commitment and progress. It should be submitted onto your edofe account once complete. It is mandatory for those completing activities at home (e.g. cooking, gardening, care of animals, learning projects) where parents are overseeing their progress but they have an independent assessor.

Q: *I have been to my club all term and finished 3 months of activity. What do I do now?*

A: You must fill out the basic information on your Assessor Report and submit it to your assessor. Once they have signed and written comments you can upload this to the edofe website for approval. Please follow the instructions on page 7 of this guide.

Q: *I am away for the practice expedition; can I join my group for the qualifying trip?*

A: All expedition dates are mandatory in order for you to complete your award.

Q: *When do I do my expedition presentation?*

A: For bronze and silver this is at the end of your qualifying expedition. Gold participants complete theirs at assemblies and presentation evenings in September.

Q: *I have completed my award but not received my certificate or badge what should I do?*

A: First check that nothing has been queried on your edofe account. You will receive an email once your award is approved so double check your inbox and junk folders. Your DofE Co-ordinator and Manager will be able to find out for you too.

Now look out for information regarding the annual Certificate Presentation Evening.
