A-level and GCSE Enquiries About Results - Summer 2023

The different types of enquiries about results and the associated deadlines are shown and explained below. Please note that both a clerical check and a review of marking will have one of three outcomes:

- Your original mark is lowered and your final overall grade may be lower than the original grade you received
- Your original mark is confirmed as correct and there is no change to your grade

- Your original mark is raised so your final grade may be higher than the original grade you received

SERVICE 1 (Clerical check)

This service includes the following checks:

That all parts of the script have been marked. The totalling of marks. The recording of marks. The application of any adjustments. The application of grade thresholds. The application of any special consideration, where applicable. The target for completion is within 10 calendar days of exam board receiving the request.

SERVICE 2 (Review of marking)

This is a post-results review of the original marking to ensure that the mark scheme has been applied correctly. The deadline for completion is within 20 calendar days of the awarding body receiving the request. This service will include:

- the clerical re-checks detailed in Service 1
- a review of marking as described above
- for an additional fee, a copy of the reviewed script(s) can be requested.

SERVICE 2P (Priority review of marking)

This service is as Service 2. However, it is only available if an A-level candidate's place in higher education is dependent on the outcome. (Except Edexcel who offer this for GCSE as well)

Any applications not meeting this criteria will be treated as normal Service 2 requests. The deadline for completion is within 15 calendar days of the awarding body receiving the request.

Priority ATS (Access to Script)
