MSC's and Education

Middle 1950's – MSC's recognised the need for Catholic education in this part of Warwickshire.

In 1958 the MSC's started operating a small Catholic boys' school in Leamington Spa (St. Bede's).

MSC's and Education

In 1965 St. Mary's Priory, Princethorpe, came on the market. MSC's purchased the school and took it over in 1966. The senior boys transferred from St. Bede's.

St. Bede's continued to operate as a Prep School for Princethorpe until 1972.

Princethorpe Priory to become boys' school

BOUGHT BY St. BEDE'S AT LEAMINGTON

ST. MARY'S PRIORY at Princethorpe, near Rugby, the home for more than 130 years of an independent community of Benedictine nuns, has been sold to St. Bede's College, the Leamington Roman Catholic preparatory and grammar school for boys.

The sale of the priory, together with its 200 acres of land, including a farm, was completed this week, and it will take its first St. Bede's pupils in September next year.

The purchase price has not been disclosed, but it is believed to have been in the region of £160,000.

It was just over a year ago that the property was placed on the market, and among prospective purchasers were a group of people who had planned to establish a "new age" community at the
