A Vision for the Future

Thursday 14 March 2019

Clarkson Theatre

This evening....

- Recent Questionnaires: strengths and areas we are looking to improve and develop
- Communications: New Website and *My School Portal*
- Pupil Numbers and Finances
- Accommodation Plans; Science et al...

A Spirit of Family – our Ethos

*“Ours is a spirit of family
and a spirit of friendship
formed by kindness and understanding
by compromise and mutual forgiveness
by gentleness, humility and simplicity
by hospitality and a sense of humour”*

‘Secrets’ of Success for any business

- Know your strengths and weaknesses
- Constant adjustment and improvement

Pupil Questionnaire

- All pupils, all classes
- Mainly done by mobile phone
- Average time 5 minutes per class
- Generated huge amounts of data...

Pupil were asked about their:

- Enjoyment of each subject
- Work ethic in the class
- Teacher's feedback and how useful it was for them
- Ability to work independently
- Help they got from teacher
- Homework and how it helps with their learning
- Time spent on homework
- Relationship with their teacher
- Teacher's use of rewards and sanctions
- Progress they felt they were making

Each teacher received full anonymous feedback and comments as part of their professional review

Working with the Highways Agency

- No viable solution as yet ...
- We are working on this...

Bus service

- Aim is to optimise the services
- Bus is greener and reduces congestion on campus
- 11 buses in all directions
- Detailed review underway
- Best service whilst managing cost - £48k - £55k per bus per annum
- Maximum journey times important
- Sibling discount - under discussion

Science – in a bit more detail...

- Alex Darkes - Assistant Head - Development
- Rachel Hadley-Leonard – Development Director

Our Vision for Science

MAKING A DIFFERENCE
at Princethorpe

The new Science Centre

- Designed by AT Architects and will be built on land to the north of *The Limes*, connecting with the existing building
- Approximately 1,600m² at a cost of £8m
- 10 laboratories: 4 for Biology, 3 for Physics and 3 for Chemistry
- One preparation area plus a staff base per floor
- Science library and study area
- Pupil and staff toilets

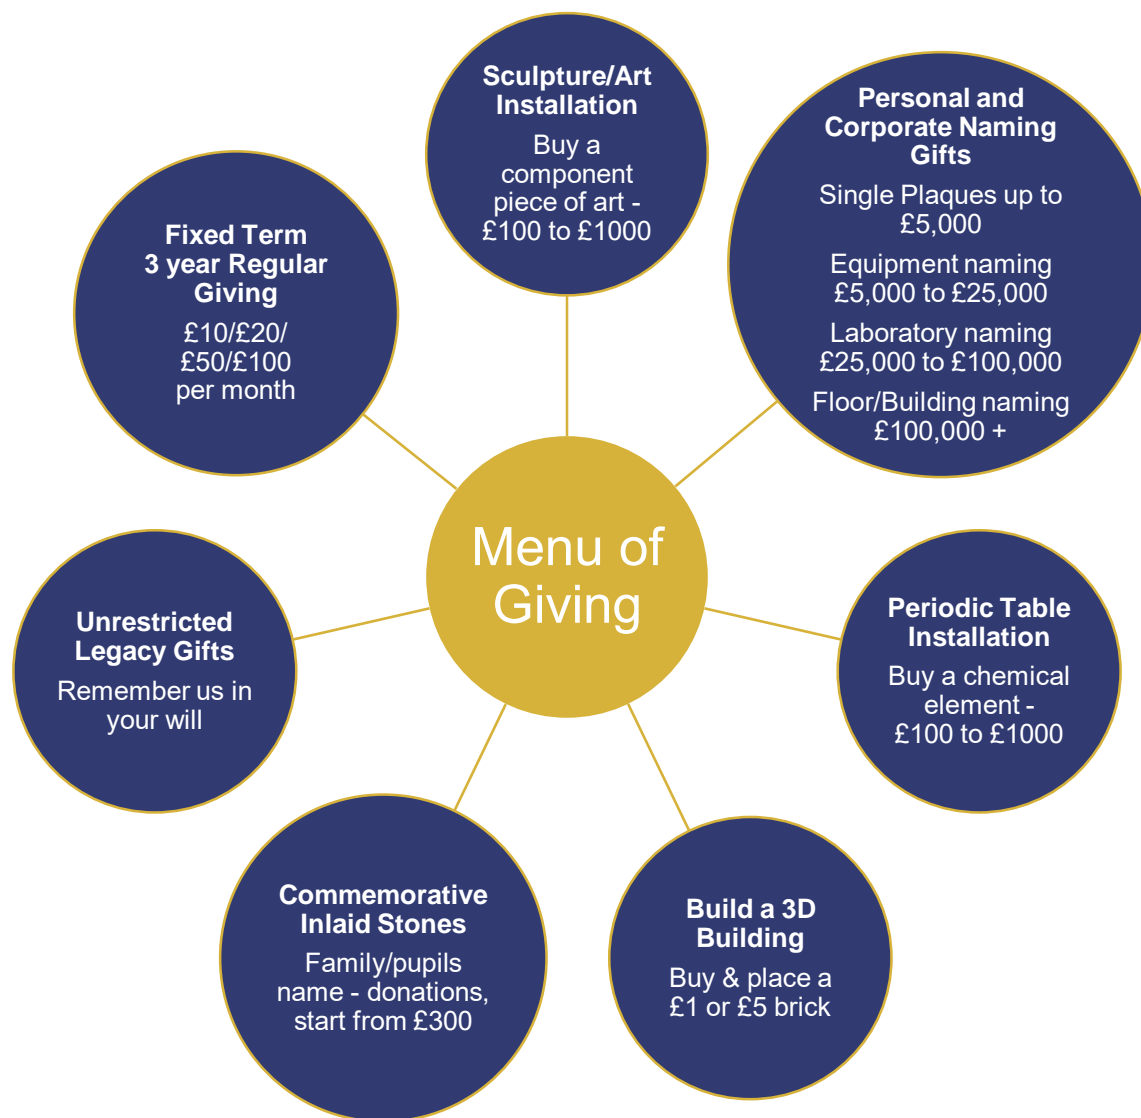

Let's take a tour...

Outstanding Pastoral Care and Ethos

- Remains our number one priority
- To act out the gospel values of love, kindness, forgiveness, compassion and service.
- Exceptionally high ratings in the parental questionnaire – over 95% satisfaction
- Our number one challenge remains maintaining consistency but at the same time treating all pupils as individuals
- Putting the two rules at the heart of the school:
- ***Be kind, do your very best***

Quotes from the Parent Questionnaire

- *We are very, very happy with the school. I wasn't convinced of the superiority of a (good) private school over a good state school until our daughter came to Princethorpe. She has blossomed in your care!*
- *We are really happy with the school and have absolutely made the right decision. Listening to my son talk about school so much is just a delight*
- *We are delighted with the support and guidance Princethorpe is giving our son. It is a very special school with extremely committed and hard working staff.*
- *Princethorpe is a wonderful school. I know that my sons will leave having had a first class education, equipped for their future with the Princethorpe ethos close to their hearts and with fond memories of their time spent cultivating life long friendships in such a beautiful setting. They already each have some amazing teachers whose passion and enthusiasm has started to shape their future choices.*
- *Princethorpe is an extremely good, caring school and succeeds in its aim to produce well-rounded and happy kids. Its ethos which promotes kindness, fairness with a good work ethic is admirable and long may it continue.*

Thank you and please join us for
refreshments in the Sixth Form Centre
