

A collection of colorful markers in various colors including blue, green, yellow, pink, orange, red, black, brown, and purple, arranged diagonally across the image.

# Year 7 and 8 Poster Competition

*Theme*

*Innovating for the Future*

**BRITISH  
SCIENCE  
WEEK**

## Making your poster

- A4 or A3 size
- You can add pop up pictures, pull out tabs or use paint as well as coloured pens and crayons.
- Send your entries to [fayeroberts@princethorpe.co.uk](mailto:fayeroberts@princethorpe.co.uk)
- **Deadline** - Friday March 19<sup>th</sup> at 9am

# Ideas!

- Think about your own new innovation – inventing your own toy, a useful machine, gadget or service that will help your family or the whole world!
- Do you know any awesome innovators? Try to showcase their innovations and reflect on how this person's innovations impacted the lives of many.
- Everyday innovations can be easily overlooked. Identify common innovations that you use daily and give a thought on how your life would be without them.

# Posters are judged on the following criteria:

- **Creativity in approach** – innovative angle on the content or creative interpretation of the theme
- **Content** – clear, accurate and informative about the STEM topic
- **Effective communication** – presented and communicated in an engaging way

**Merits for all entries**  
**Prizes for the top three posters and**  
**entry to national competition**
